A fabulous program, perfect performance - profound and uplifting and all 100% natural ingredients: lots of musical sounds, a smattering of genius and lots of love!

Barbara Scales, Latitude 45 Arts

Par l'association originale entre marimba et violoncelle, les transcriptions d'œuvres majeures de l'histoire de la musique occidentale et les créations originales ont invité à une exploration inattendue de la musique, dans une démarche parfaitement validée de partage, d'accessibilité et d'élévation.

Emmanuel Mère, Le Journal de Saône-et-Loire

Avec l'excellent et très expressif violoncelliste Juan Sebastián Delgado, on découvre alors un duo de virtuoses des plus efficaces qui font des étincelles (Stick&Bow).
